Great Rivers Environmental Law Center’s General Counsel Bruce A. Morrison Named Best Lawyers’ “Environmental Litigation Lawyer of the Year 2012”

Best Lawyers, a respected peer-review publication in the legal profession, named Bruce A. Morrison as the “St. Louis *Best Lawyers* Litigation—Environmental Lawyer of the Year” for 2012.

After more than a quarter of a century in publication, Best Lawyers is designating “Lawyers of the Year” in high-profile legal specialties in large legal communities. Only a single lawyer in each specialty in each community is honored as the “Lawyer of the Year.”

The lawyers honored as “Lawyer of the Year” have received particularly high ratings in Best Lawyers’ surveys by earning a high level of respect among their peers for their abilities, professionalism, and integrity.

Steven Naifeh, President of Best Lawyers, says, “We continue to believe—as we have believed for more than 25 years—that recognition by one’s peers is the most meaningful form of praise in the legal profession. We would like to congratulate Bruce A. Morrison on being selected as the ‘St. Louis *Best Lawyers* Litigation—Environmental Lawyer of the Year’ for 2012.”

Great Rivers congratulates Bruce A. Morrison on his well-deserved recognition.

Great Rivers is a nonprofit public interest environmental law firm in St. Louis that provides free and reduced-fee legal services to those seeking to protect the environment and public health. Its web address is: www.greatriverslaw.org.
